Thanks! I somehow missed Lily's message from last night. I'll touch base with Soledad and Brent on Monday.

Have a great weekend!

Bill,  
I spoke with Brent yesterday about moving forward on this when he's back in the office on Monday. No further action is needed from you at this time.

I know Yolanda is gone for the day and she's tied up tomorrow morning, so on her behalf, in case you did not already get it, I am forwarding this to you. I know you and she have plans in place already for followup.

Mike

Here's the letter I just sent my counterpart at the Navy in preparation for the EPA/navy meeting on Monday. I hope the letter provides the basis for a constructive dialogue leading to an agreement on a path forward and to the start of some field work this FY.

Let me know if you have any questions.
